I work at the College of Charleston; why should I also donate to the College?

Gifts to CofC have a powerful effect on the college's ability to remain a top tier institution. It shows our College leadership, Board of Trustees, students, alumni, donors and the Charleston community that CofC faculty and staff members are invested in the College and believe in its mission. And, because corporations and foundations consider faculty and staff giving rates when determining their own support for the College, the workforce at the College can make a real return on investment.

I already have a payroll deduction pledge. How can I make another gift?

You can increase your current payroll deduction pledge by completing a new form or by making a one-time gift using one of the giving methods listed above.

Can I decide how my gift will be used?

Yes! You may make a gift to any CofC program, school, or department. A complete list of the active funds can be found online: <http://giving.cofc.edu/file/administrator/activefundlist2016-8.pdf>

I donated during the Trident United Way Campaign. Is this counted in the Faculty and Staff Giving Drive?

No, the Trident United Way campaign supports nonprofits in the Lowcountry community. Gifts made during the Trident United Way campaign are not included in the Faculty and Staff Giving Drive totals.
